

2005 CHEMICAL COLLECTION CAMPAIGN

IT'S TIME TO **CLEAN OUT** YOUR RURAL & HOUSEHOLD CHEMICAL CLUTTER THE RIGHT WAY .

AND THE FIRST 20KG ARE FREE!!

Northern Inland Regional Waste (NIRW) and your local Council wish to advise and encourage residents and ratepayers to participate in the up-coming Chemical Collection Campaign.

The first 20lt/kg are FREE, with quantities over this amount being charged accordingly.

PLEASE STORE AND TRANSPORT YOUR CHEMICALS CAREFULLY

- NEVER MIX CHEMICALS as this may produce dangerous reactions. Try to keep all chemicals in their original containers.
- Ensure containers are clearly labelled and well sealed. If you do not know what is in the container, label it UNKNOWN CHEMICAL.
- Liquid can leak during transport. Wrap containers holding liquids securely in newspaper and place them into sturdy plastic bags, then pack in plastic buckets or trays.
- Keep household chemicals away from passengers, e.g. in the boot.

DID YOU KNOW?

- You can return your old and unwanted medicines to any pharmacy for free and safe disposal. For more information ask your pharmacist, visit www.returnmed.com.au or call 1300 650 835.
- Your old mobile phones and their batteries can be recycled. For details of an outlet near you visit www.phonerecycling.com.au or call 1300 730 070
